FOUND DEAD ON HIGHWAY

Youths Gassed in Truck

MILDURA, Sunday. — Apparently overcome by the fumes of a gas producer unit, two youths, **VENARD WILLIAM CARRINGTON** (18 years), of Footscray, and **RAY HENRY PERCY GAHAN** (18 years), of Sunshine, were found dead on the Calder Highway a few miles from Red Cliffs, late on Saturday afternoon.

The youths, who had been working in the Red Cliffs district for over 12 months, left Red Cliffs yesterday morning in a motor truck to get a load of wood. They had obtained the wood and were on the way back when apparently something went wrong with the gas producer, and they were only just able to leave the truck's cabin before collapsing.
