1965 - Fire, Ardoyne St & Moira St

11th March 1965 Page 3

Five acres of grassland was burnt out last weekend between Ardoyne and Maria Sts., Sunshine. A small portion of paint work at the side of a house was damaged, while 14 panels of a fence were slightly damaged and five panels were severely damaged by the fire, the cause of which is unknown.

The Sunshine Fire Brigade have been averaging five calls each day since the start of summer.

Five people have been booked by the Sunshine Fire Brigade during the past week, for lighting fires in incinerators during total fire ban days.

Summonses will be served by the Sunshine police, following this action by the fire brigade officers.
