Ex-Football Coach Killed

GEOERGE "Binger" McLAREN, former star Footscray footballer, who was killed in an accident at Gippsland early this week, was coach of Sunshine Football team last year.

He was a successful coach and led Sunshine into the grand final to be runners-up.

Local football followers remember his effort to win the match in the last quarter when he kicked four goals.

The deceased, who married a Sunshine girl and lived here for some years, was popular both on and off the field.
