
Sad Drowning Accident

UNDER particularly sad circumstances, Beatrice May Walker, 3½ years, of 55 King Edward Avenue, Sunshine, met her death by drowning at the Sunshine swimming pool on Thursday last. Accompanied by her little brother, aged about 4½ years, Beatrice went out to play after lunch. At about a quarter to three the brother returned home alone and told his mother Beatrice had fallen in the cow paddock. He then led his mother to the swimming pool where Beatrice was found floating on the water. Her mother pulled her out, and resuscitation methods were applied by Dr. Gowland, but without success.
