

## Deer Park School Destroyed in Big Blaze

At 3.30 a.m. this morning (Friday) the Brigade was called to a fire at the Deer Park school, at the corner of Ballarat and Station roads. The flames had, however, taken a strong hold, and the building was completely gutted. It was constructed of bluestone and wood with an iron roof. The contents, which included a piano and wireless set, were destroyed. The origin of the fire is unknown. Two hose carriages and thirteen men fought the flames.
