DEER PARK

The Deer Park State School Mothers' Club meeting was fairly well attended. The club was very fortunate in being able to secure a speaker from the League of Nations Union, Mrs Bacon, whose husband is district inspector of schools. Mrs Bacon's address on "Anti-War and Peace" was listened to with rapt attention, and members were sorry when she called a halt.

The next dance of the Deer Park Mothers' Club will be on Saturday, August 28.

In last issue of "The Advocate" the name Burton Brown was mentioned in regard to a fatal accident at Deer Park. This should have been Burton Hunter. Quite a gloom was cast over Deer Park when it became known that Burton had died after his fall from his father's butcher cart, and the deepest sympathy of their many friends has been extended to the parents.
