

RICHARD JOSEPH JOLLEY

NEWs of the death of Mr. Richard Joseph Jolley, as the result of an accident on Christmas Day was received as a great shock by his many Sunshine friends.

The late Mr. Jolley was well-known in local Masonic circles, particularly the Lodge of St. Mark of which he was Immediate Past Master.

Only thirty two years of age, Mr. Jolley was killed when his motor cycle was struck by a truck at East Malvern.

He was a man of sterling character and Christian principle. Apart from the Masonic lodg., he was keenly interested in the Methodist Order of Knights.

The late Mr. Jolley was an executive of a stevedoring company and was just as popular with waterside workers as he was in other circles.
