

Father dies after crash

The father of two young children died in Alfred Hospital yesterday—eight days after his wife was killed in a collision on the Princes Highway, near Dandenong.

Norman Thomas, 35, of Toomuc rd., Pakenham East, and his wife, were in a utility which plunged over a culvert after a collision with a brick truck at the Heatherton rd. intersection.

Mrs. Elsie Thomas, 26, was killed instantly, and her son Geoffrey, 7, and nephew Donald, 8, were admitted to the Alfred Hospital with head injuries.
