DEATH BY ACCIDENT

A car accident in Raleigh Rd., Maribyrnong on Friday evening, resulted in the death of a much respected resident, Mrs. Florence Burton, who at the time was assisting a mutual elderly friend to cross the busy roadway.

The car driver made a swerve which took the vehicle up on to the nature strip, but failed to avoid the collision. Mrs. Burton was taken to her home, but died shortly after.

Despite infirmity and advancing years, Mrs. Burton was of a happy disposition and always had a cheery word for everybody. It was her nature to assist local organisations and residents despite the heavy demands of her home and an invalid husband.
