Young Man's Death Was Tragic

The death in an accident on Thursday last of Brian Francis James McNeill recalls another tragic occurrence about three years ago when his brother Gerald died as a result of a motor smash at Northcote. They were both 24 years old.

Brian was driving a heavy equipment machine at the Albion Quarrying Co., when it rolled over, crushing him.

He was the son of Mr. and Mrs. Daniel McNeill, of 1 Victoria St., to whom the sympathy of a large circle of friends will be extended. Daniel and Kevin McNeill are his brothers.

The funeral to Fawkner cemetery was very largely attended. It followed Requiem Mass at Our Lady's Church, where on Sunday evening, Rosary was recited.
