### **Fatal Accident at Level Crossing**

A young migrant, Georgious Vasiloghou, 22 years of Glen-gala Road, Sunshine, was killed when his motor cycle crashed into a goods train at the Sunshine Road level crossing on Saturday.

Eye-witnesses said that the motor cyclist appeared to mis-judge the speed of the train or either he failed to see the train until too late.

There have been several fatal accidents at this crossing which has no wig-wag signal.

At a point approaching the crest of the rise from Stony Creek there is a blind spot where it is difficult to see trains coming from the direction of Sunshine Station.
