**SUNSHINE PORCELAIN POT-
TERIES PTY. LTD.**

(To the Editor.)

Sir.—In connection with the fire which destroyed a section of the factory last week-end we wish to convey to all those who so readily assisted in removing ware from the sections threatened by the extension of the fire and gave every available assistance to the Fire Brigade.

It enabled us to save a considerable amount of our partly manufactured ware which would definitely have been destroyed without this assistance.

The writer regrets that he was not present to thank those who undertook this work, voluntarily, and would like them to accept this as a token of our firm's appreciation for their effort.

We would be pleased at any time, should they be able to make personal contact so that we would be able to thank them personally. —
Yours etc.,

E. H. M. DRAYTON.
