Suspicious fire at migrant centre

24th January 1957 Page 4

“SUSPICIOUS” FIRE AT MIGRANT HOSTEL

A fire on Friday night last at the migrant hostel, Brooklyn, occurred in suspicious circumstances. It damaged walls of No. 4 shed but was brought under control by firemen before it had a hold on the building.

Investigation of the cause of the fire failed to discover its origin or obtain a clue as to why a fire should have been started in that place.
